5	<p>5.1 Update – Cllr Tuplin – No Update from Cllr Tuplin as absent.</p> <p>5.2 Meeting with Hunts FA 5th April – New Plans, Rough draft circulated update – Clerk</p> <p>The Clerk advised we held a meeting with the Hunts FA to discuss revised plans as the cost of the whole development was too high, the option recommended by Andy Coles from the Hunts FA is extend the community area with storage space, and to redesign the changing room area, which would include 2 changing rooms, 2 official changing rooms with public toilets and accessible toilet. Kitchen with serving hatch onto pitches. Currently the FA have a partnership with Howdens kitchens who would also provide a new Kitchen. The plan would then allow us to hold functions in the facilities.</p> <p>The current drainage system will need to be upgraded as currently not fit for purpose, this will be looked in to by the Clerk. The Clerk will request final plans from the architects and will then send out to tender.</p> <p>Due to the next meeting not being until 20th September, we will look at arranging a meeting around May / June to move the project forward.</p> <p>5.3 Booking system with scribe – Quotation circulated, update from the Clerk. – The booking system will look to go live in June, where the current members of Sawtry Sports and Leisure Association will have access to the system to enter their own bookings, the office will oversee the process and send invoices.
